Acknowledgment

We are thankful to Dr. U. S. Gautam, DDG (Agril Extension); Dr. R. R. Burman, ADG (Agril Extension), ICAR, New Delhi for providing all the support and guidance for efficient implementation of Viksit Bharat Sankalp Yatra at all KVKs under ICAR-ATARI, Pune.

Janjati Gaurav Diwas and Viksit Bharat Sankalp Yatra

Hamara Sankalp Viksit Bharat is a nationwide campaign to raise awareness through outreach activities to achieve saturation of schemes of Govt. of India across the country covering all Gram Panchayats, Nagar Panchayats and Urban Local Bodies.

Objective

The objectives of the Viksit Bharat Sankalp Yatra are as follows:

- Reaching the unreached - reach out to the vulnerable who are eligible under various schemes but have not availed benefit so far.
- Dissemination of information and generating awareness about schemes.
- Learning from the citizens - Interaction with beneficiaries of government schemes through personal stories / experience sharing.
- Enrolment of potential beneficiaries through details ascertained during the Yatra.

Duration

The Yatra launched on 15th November, 2023 on the occasion of Janjati Gaurav Divas, by flagging off IEC (Information, Education and Communication) Vans which will be initially visiting the districts having significant Scheduled Tribe population and the remaining districts from third week of November 2023 onwards up to 26 January 2024.

Implementation

In order to have synergy, Ministry of Agriculture and Farmers' Welfare, Ministry of Rural Development and Ministry of Tribal Affairs will be the nodal Ministries for rural and areas with significant Scheduled Tribe population. For urban areas, Ministry of Information & Broadcasting and Ministry of Housing and Urban Affairs will be the Nodal Ministries. Government of India proposes to appoint Nodal Officers at States/ Districts for effective coordination of Viksit Bharat Sankalp Yatra with State and District administrations.

Viksit Bharat Sankalp Yatra (Rural Area) 23-11-2023 to 25-01-2024

With this aim, a nationwide campaign to raise awareness through outreach activities to achieve saturation of schemes named "**Viksit Bharat Sankalp Yatra**", is being planned. This will require concerted efforts across the board as well as active Jan Bhagidari to ensure that the last mile and the most vulnerable are reached effectively.

- From 23th November to 25th January KVK may invite Rath/ IEC van to KVK and show demo units and other activities of KVK particularly natural farming, SHC, drones etc.
- Rath covered **63** district and **4820** rural Grampanchayat Maharashtra, Gujrat and goa. In which Nearly **955849** people were actively attend this program.
- In Maharashtra Rath was covered **34** district and **2611** grampanchayat total pepole attend was **263232**
- In **Gujarat** Rath was covered **27** district and **2037** grampanchayat total pepole attend was **672884**
- In **Goa** Rath was covered **2** district and **172** grampanchayat total pepole attend was **19733**
- In **Maharashtra** 1250, **Gujarat** 1560 and **Goa** 92 farmers share their experience through **Meri khani, meri jubani** program speech.
- In **Maharashtra** 2231, **Gujarat** 1811 and **Goa** 164 Head/ SMS of KVK will deliver one lecture on Natural farming / Soil health card/ PM PRANAM / Paramparagat Krishi/ Drones use in fertilizer, pesticides or other schemes.in this program,
- Head/ SMS of KVK talk about what is the soil health card/ natural farming, Process sample collection / preparation, what is he results and benefits of is, Poster photo demonstrations may be shown Leaflets/ literature in local languages to be provided
- The progressive farmer will tell about the success of central government schemes for which he is he beneficiary- Soil health card, Natural farming, PM Kisan, KCC etc. by Meri khani, meri jubani

An overview into the collaborative initiatives spearheaded by Maharashtra, Gujarat and Goa to advocate for soil health and natural farming practices within their agricultural spheres is highlighted in the above table. Maharashtra, stretching across 4 districts and 10 Gram Panchayats, actively engaged 581 individuals through a remarkable series of 5 informative lectures on 24.01.2024. Despite covering fewer districts and Gram Panchayats, Gujarat demonstrated unwavering dedication, connecting with 407 individuals through sole lectures across 1 Gram Panchayats in sole districts. Together, these states' endeavors yielded significant outreach, with a total attendance of 988 individuals benefiting from 6 enlightening sessions on soil health and natural farming practices. This data not only highlights the commitment of these states to sustainable agriculture but also underscores their collaborative efforts to raise awareness and encourage the adoption of environmentally responsible farming techniques vital for safeguarding and enriching agricultural ecosystems.

Viksit Bharat Sankalp Yatra (Rural Area)

Day: 64

Date: 25 January 2024

Sr. No.	Name of State	No. of District	No. of Gram Panchayat covered	Number of People Attended	Lecture Delivered on Soil Health/ Natural Farming
1	Maharashtra	3	5	215	3
2	Gujarat	0	0	0	0
3	Goa	0	0	0	0
Total		3	5	215	3

An overview of the initiatives undertaken by Maharashtra, Gujarat and Goa states in promoting soil health and natural farming practices within their respective agricultural landscapes is given in above table. Maharashtra, with 3 districts and coverage of 5 Gram Panchayats, engaged 215 individuals through 3 informative lectures on soil health and natural farming on 25.01.2024. These figures reflect a concerted effort by these states to educate and encourage sustainable agricultural practices, emphasizing the significance of soil health and natural farming for the long-term viability of agricultural ecosystems. Through such initiatives, these states aim to foster a culture of environmental stewardship and resilience within their agricultural communities.
